REMINISCENCES OF OUR PIONEER DAYS

Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

In March, 1882, San Mateo county became the proud possessor of a new courthouse building. As described in the chronicles of the day, the new structure, fronting on A street, (now Broadway) was of brick and two stories in height, built after a composite style of architecture. The building, which was erected by Jacob Lenzen, then and for years after a prominent builder of San Jose, occupied a ground space of 52 by 56 feet, and cost when completed $15,000. The lower floor was divided into three l rge rooms, which were occupied by the sheriff and tax collector, the clerk and recorderand the auditor. On the upper floor were fitted up rooms for the supervisors and the court and jury rooms. A prominent ornamentation of the building was an immense wooden figure of Justice, which surmounted the main entrance.

The municipal election held in Redwood City in the spring of 1882 presented one or two rather unusual features. In contrast with the election of the previous year, there was practically no public discussion and the citizens generally seem to take but little interest in the selection of their officers, not even taking the trouble to meet and place formal candidates in the field. At the same time aspirants for office were sufficiently numerous, as is evidenced by the fact that when election day drawed there were seven tickets in the field. The main contest was over the office of town marshal, a strong fight being made against Marshal Grimmenstein who was a candidate for reelection. The final count showed a good turnout of voters, a total of 22 votes being cast. The successful candidates were as follows: For trustees, James Stafford, John Stafford and Slaus Hadler; marshal, M. Preble,clerk, J. W. Glennan; treasurer, L. Jacobson; assessor, M. Walsh; street superintendent, M. Swift.

As giving an opportunity for a comparison showing the growth of San Mateo county since that time, the following statistics are taken from the annual report of County Assessor Hartsough submitted in July 1882: The 289,106 acres of land in the county was given an average valuation of $13.10 per acre, or a total of $6,196,555 as the real estate valuation of the county. The total valuation fixed by the assessor on the railroad lines in the county was $376,500. That the county was not entirely on a prohibition basis is shown by the fact that the assessor listed 5,475 gallons of brandy, 1,000 gallons of wine and time 50,000 gallons of beer. At that time there were seven grist mills oin the county and the annual production of which was 3,500 barrels of flour, while 11 steam saw mills turned out 3,500,000 feet of lumber and 10,000,000 shingles. At that time the total assessed valuation of real estate and improvements in the town of Redwood City was $562,275.

Early in the year 1882 Bay View Lodge of Odd Fellows purchased property on Main street and began preparations for the erection of a loddge home for themselves. An idea of the enterprise as it appeared in those days of the history of the town can best be gained from the following news item in reference to the matter taken from the columns of the Times and Gazette of September 3d: "Bay View Lodge of Odd Fellows is for building a large and imposing building on the lot recently purchased by them on Main street adjoining Stafford & Dugan's stable. The building will be 92 feet in length and 50 feet in width. The lower floor will contain two stores. The stairway will be on the south side of the building. On the upper floor front there are to be three large offices. Back of these are to be innumerable ante rooms, regalia departments, etc., and still further back are the halls. The main society hall is to be 28 by 50 feet, and on the side of the main room it is intended to have a supper room that can be used for any other purpose that may be desirable. When completed the building will show two stories in height, with an iron front below and handsome ornamental pediment above the building. This work will add materially to the appearance of Main street, and will show conclusively the earnest work that has been accomplished by Bay View Lodge of Odd Fellows, which its institution is preparing to construct a building at a cost of probably not less than $10,000."

Contrary to what seems to have been the general rule in the politics of San Mateo county, the members of the Democratic party took the lead in preparation for the fall election campaign of 1882, holding their county convention a week earlier than the Republicans. The convention met in this city on September 9th, with Georg Plump as chairman and W. J. Murray and S. C Leahy jointly performing the duties incident to keeping a record of the transactions. The business of the convention was transacted harmoniously and there were but few contests over the nominations. The ticket placed in the field was as follows: For assemblyman, J. V. Coleman; county clerk and recorder, Judge, J. W. Bickwell; sheriff, Harry Hatch; auditor, Henry C. Hall; treasurer, L. Jacobson; district attorney, Geo. H. Buck; assessor,P. J. Maloney; superintendent of schools, Wm. Richardson.

The Republican county convention was held in this city on September 16th, Redwood City being represented in the convention by John Christ, E. F. Fitzpatrick and A. Cook. Alexander Gordon was chosen as chairman of the convention and C. M. Morse and J. C. Williamson as secretaries. Seakers for office did not seem to be numerous and with but few excpetions the candidates were names without opposition, the ticket when completed being as follows: Assemblyman, C. N. Felton; sheriff, H. W. Walker; clerk and recorder, Geo. H. Rice; assessor, H. M. Templeton; auditor, E. Elkerenkotter; treasurer, P. P. Chamberlain; district attorney, Geo. C. Ross; superintendent of schools, G. P. Hartley; surveyor, J. J. Cloud; coroner, Wm. A. Stewart. After the adjournment of the convention the county committee met and chose W. Z. Price as its chairman and E. F. Fitzpatrick as its secretary.

AS SAN FRANCISCO SEES IT.

SAN FRANCISCO, June 21—An improvement just made in the train service down the peninsula by the Southern Pacific Company has caused much satisfaction among the rapidly increasing number of commuters living in San Mateo and Santa Clara Counties. A new train leaving Third and Townsend streets at 4:55 p. m. makes the run to Redwood in thirty-five minutes, and it has jumped into favor at once. With the opening of the Dumbarton bridge to all transcontinental and "through" freight to San Francisco at the end of this month, it is said by real estate men interested in peninsular properties that traffic on that line will be heavier than anywhere else in California. Already passenger trains are going and coming in the mornings and afternoons almost as close together as street cars in town, the railroad management always keeping abreast of the growth of population and passenger travel out of the city on the peninsular bay shore cut-off line

At several points along the railway between San Francisco and Redwood there are signs of preparation for the new double tracks which are to be built without delay. These new tracks are said to be needed even now, and they will be in operation before two years have passed.

Such evidence as the four-tracking of the railway, the steady increase in the number of trains for commuters and the improvement in travel accommodations out of the city depot are looked upon by real estate brokers as a demonstration of a remarkable growth of the peninsula.

The foothill country, which abounds in most picturesque home places, is in strong demand among city people who can afford to buy land in acreage and build out-of-town places within easy distance of the railway stations. The "acreage" west of Redwood and lying behind San Mateo and Burlingame and up as far as Los Altos is being brought up by San Franciscans, many of whom are building homes there, from highly pretentious country homes to rambling bungalows. Mean while the attractive residence parks near the railways are constantly growing in the number of residences and in population.

COUNTY BOARD IN REGULAR SESSION

SUPERVISORS CONSIDER VARIOUS MATTERS OF COUNTY INTEREST PRO AND CON.

District Attorney and Board Decide Chinese Must Pay the Disinterment Tax.

The board of supervisors met in regular session last Monday. All the members were present except Blackburn. The board did not convene until 1:30 in the afternoon owing to the late arrival of Francis and Casey.

On motion of Brown seconded by Francis the reading of the minutes of the previous meeting was dispensed with.

A communication was read from the California Development Board announcing that the association had a conference with the Panama Pacific International Exposition Company and were in a position to assist the county in making its exhibit at the fair in 1915. The communication was referred to the San Mateo County Development Association.

A similar communication from the president of the Panama-Pacific Company was also referred to the county development association.

A communication from the director general of the San Diego Exposition asking the supervisors to make an exhibit at the fair at that place in 1915, was ordered filed.

James P. Coleman, town marshal of Redwood City, in a communication notified the board that an assessment had been levied on the county property at Redwood City for street improvement amounting t $1,280,50. The property would be sold on July 3d unless the assessment was paid. The matter was referred to the district attorney to report on at the next meeting.

On motion of Brown seconded by Casey the application of Peter J. Flynn of San Mateo, for a license to peddle fruit and vegetables in the county was referred to Supervisor Brown.

The application of Theodore J. Knutzen for a license to conduct a saloon at Montara that was laid over from the last meeting in order that the protests against granting same might be heard, was taken up. Geo. A. Smith presented a lengthy petition signed by nearly two-thirds o the property owners of that community. He urged that the petition be considered. He pointed out the names of the old residents of that locality who opposed the application and made a strong argument on the number of signers to the petition, declaring that they represented fully $500,000 of property value in that community.

Mrs. Annie G. Smith also appeared for the protestants. She appealed to the board for the sake of the children to deny the application.

A. H. Cohn, representing the Moss Beach Realty Company, spoke in favor of granting the license. He said that one drinking place in that locality was a necessity.

Francis explained that a great number of people had come to him and spoke in favor of Knutzen, saying that he would conduct an orderly place. On this account he recommended that the application be granted. The motion was seconded by Casey and carried, Brown voting no. He said that inasmuch as two thirds of the property owners protested, he believed that their wishes should be considered. McEvoy and Casey both explained that it was the rule of the board to have such matters settled by the supervisor in whose district it occurred and in voting yes they were only conforming to said custom.

The application of John Olsen for a license to conduct a saloon at Farallone City that was set for this date for hearing precipitated considerable debate. Theodore Johnsen presented a lengthy petition signed by a large number of taxpayers of that community. He said that practically nine-tenths of the property owners were represented on the petition and this of itself should influence the board to deny the application. Johnson claimed that Olsen was not an American citizen, but the latter was sworn and said he was a naturalized citizen and had been for a few years.

E. W. Jacobs, secretary of the California Suburban Home Company, made a strong plea for Olsen, saying he was a proper person to conduct a saloon and would comply with the law in every instance.

On motion of Francis, seconded by Casey the application was granted.

Francis explained that if Olsen did not conduct an orderly resort he would be the first to revoke his license.

The clerk was authorized to notify the trustees of Hillsborough to refund $5,000 to the Second road fund before July 3d.

Chairman McEvoy announced the appointment of B. D. Weeks as inspector of the Woodruff bridge at a salary of $3 a day.

Joseph A. McCormick, who was cited to appear at this meeting, did not show up. The board took no action and the matter was deferred until the next meeting.

A map of the Sequoia tract near Redwood City, presented by Fred Chilcott, was adopted by the board and the streets delineated thereon dedicated to public use.

A resolution directing the treasurerd to occupy his office in the courthouse was presented by McEvoy. It failed of a second and no action was taken.

On motion of Francis seconded by Brown, S. P. McCrea was appointed a member of the county board of education to take the place of Prof. Wall. On motion of Casey seselected t a member of the board of education to succeed himself.

At the suggestion of Hall C. Ross a check for a franchise presented by Ansel Easton six months ago was ordered returned to him.

Casey presented Ordinnace No. 246, regulating the disinterment of deceased bodies in this county and charging a fee of $10 thereon. Attornel Wm. Hoff Cook, representing the Chinese Six Companies, opposed the passage of the ordinance, claiming that it was not legal as the state board of health regulated all such matters. He explained having a conference with District Attorney Swart some weeks ago in reference to the matter of the disinterment of a number of Chinese bodies in the cemetery near Colma. That official agreed that ordinance 176, adopted in 1901, was null and void. His clients began the removal of the bodies of the Chinese, when the work was stopped by the District Attorney. He had secured the permits from Recorder H. O. Heiner for the removal of these bodies and was carrying out the state law in the matter. The state law has made that official the proper person to issue permits.

District Attorney Swart explained his position by saying that he had given the question careful consideration since talking with Mr. Cook and was quite certain the provisions of the ordinance passed in 1901 would "hold water." If it did not, the one under consideration would.

After much discussion the ordinance was finally passed, it receiving a unanimous vote.

REDWOOD CITY BOYS SCORE ONCE MORE

Redwood scored another victory in baseball last Sunday by defeating the Lash Bitters team 4 to 0. It was one of the best games of the season and the visitors put up a good game but were outclassed by superior baseball. The visitors were unable to solve the delivery of Ross and only made two safe hits.

The hole local team played professional ball, but the principal feature was the work of Ross who struck out 11 men and secured two safe hits. Another feature was the work of Johnie Mitchell, who distinguished himself in the fielding line as well as getting a nice single just when it was most needed.

Tomorrow the locals will play Santa Clara on the home grounds and the only facts to draw conclusions from is that Redwood has a victory over the Olympic Club by a score of 8 to 4 and Santa Clara won from the same club by a score of 3 to 2. The teams are evidently evenly matched and a good game is in store for tomorrow. Another feature of tomorrow's game is that a good umpire has been secured. As a good umpire with correct judgment is over half the team and is the wish of all good baseball fans Manager Chilcott has secured the services of Jimmie Byrens the ex-catcher of the Tacoma Club. This is done with no reflection on the work of the local boys who have acted in that capacity and the kindness of Lampkin, Beeger and Curran in officiating has been highly appreciated.

Unless regulary engaged in this it is one of the most trying positions to fulfill and perhaps the new man will give our games a little better class thereby in reasing the sport for the benefit of its patrons.

Pescadero.

Francis Moore and family have moved to Watsonville.

Mr. and Mrs. L. Chandler have returned from a trip to the southern part of the state.

C. L. Littlefield and J. H. Sabler have been in San Francisco.

Mr. and Mrs. M. F. Rose have returned from Santa Cruz. They attended the N. S. G. W. and N. G. D. W. conventions while there. Mr. Rose is a Native Son while his wife is a Native Daughter, both belonging to the Orders here.

Miss Carol Falkner is home on her vacation from Berkeley.

Manuel Davis has been down from San Francisco visiting his parents at Pigeon Point.

Murry Curtis, who has peen living at Oakland for the past few months has returned to Pescadero.

Will Remain in Redwood.

O. M. Carrington, teacher of music and drawing in the high school, received a flattering offer from the San Mateo high school during the week, but decided to remain here. The trustees raised his salary as an inducement for him to remain. He is a splendid teacher and all are glad to see him stay. Last year he also received a fine offer from the high school at Stockton but he preferred to remain in Redwood City.

NO REASON FOR IT
When Redwood City Citizens Show the Way.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of serious kidney ills when relief is so near at hand and the most positive proof given that these ills can be cured. Read what a Redwood City citizen says:

Fred Haussler, 101 Stambaugh St., Redwood City Cal., says: "My kidneys were disordered and the kidney secretions were unnatural. Knowing that difficulties of this kind often result seriously if allowed to go unchecked. I was anxious to get relief. Seeing Doan's Kidney Pills highly recommended, I got a box at P. A. Ryan's Drug Store and their use completly removed my trouble. In July 1907 I publicly testified in praise of Doan's Kidney Pills and at this time I gladly confirm that statement. This fact justifies my speaking more highly than ever of Doan's Kidney Pills."

CHURCH MUSICIANS HONOR BRIDE-ELECT

Members of St. Peter's Choir Extend Congratulations to Fellow Worker.

Miss Kittie Crowe was the hostess at a handkerchief shower given by the young ladies of the choir of St. Peter's Church on Wednesday evening to Miss Mura Wilcox in honor of her approaching wedding. For a long time Miss Wilcox has been most active in the work of the church and especially interested in the choir of which she had been the leader, and the young ladies took this means of expressing to her their strong friendship as well as appreciation of her efforts. The home of Mr. and Mrs. James Crowe, the parents of the hostess had been profusely decorated in honor of the occasion, which was made one of much pleasure to all who participated.

The affair was intended as a surprise to Miss Wilcox, and in this was a complete succes as the young lady had no intimation of the designs of her friend suntil after she reached the house, whither she had been sent by her mother ostensible on an errand. As she entered the house she was greeted by the strians of a weeding march plaid by Miss Crowe and the shouts of welcome extended by the young ladies who had been her close associates in the work of the church so dear to her heart.

After extending congratulations to the bride to be, the company resolved itself into a merry house party and enjoyed themselves as only well balanced and healthy young people know how, enjoying splended music and well devised social pa times. After a pleasant evening thus spent the party was ushered into the dining room by Mr. and Mrs. Jame Crowe, they where greeted by a pretty sight. This room had been profusley decorated with green and pink favors, the table being garlaned in the same colors. In the center of the table reposed an ornabride's cake surrounded with tiny pink candles and surmounted with a tiny bridal couple. As the repast was completed the bride to be was requested to ring for the last course by pulling what appeared to be a bell cord near her plate, and as she pulled the cord she was deluged with a shower of handkerchiefs, the gifts of her comrads in the choir. In every particular the evening was a most pleasant one and will leave with the recipient of the honors pleasing memories of her girlhood days. The wedding of Miss Wilcox and Davis will take place at St. Peter's Episcopal Church Sunday evening. The ceremony, which will be private, will be preformed by Rev. A. B. Chinn of Menlo Park.

Those present were Mr. and Mrs. James Crowe, Misses Kitty Crowe, Grace Davis, Irine Davis, Ella Stott, Jane Stott, Ellen Thompson, Minnie Gould, Julia Short, and Alice Crowe.

Invited to White House.

Mr. and Mrs. Geo. C. Ross on last Saturday received an invitation from the President and Mrs. Taft to attend a dance to be given at the White House next Monday evening.

The Rosses met the President andd his wife at the latters home in Cincinnati just after the Republican convention nominated Taft for the presidency. Ross was one of the California National Committeemen and was appointed to visit the Taft home and announce the cheering news. Mr. and Mrs. Ross soon became intimate friends of Mrs. Taft. During San Francisco's battle for the exposition site, Ross wrote a batch of well-timed letters to the President's wife and entirely ignored the master of the White House in the matter.

COUNCIL LETS NEW CONTRACTS

L. Biolsi Secures Job of Sweeping Streets and George Alberts Goes on Water Wagon

Last Monday evening's session of the city council, which was attended by all of the trustees except Beeger, was rather an uneventful one and was confined almost entirely to routine business, the chief exception being the annual granting of saloon licenses. Evidentl the trustees had no serious fault to find with the general conduct of this business as all of the twenty saloons of the city were granted a renewal of their licenses by a unanimous vote.

The monthly report of the several city officials were presented by Clerk Plump and after reading wer approved and filed. From these it is shown that the income of the city from various sources for the month was as follows:

Fines	$20.00
Water rates	1065.50
Licenses	14.00
Special permits	2.50
Water connections	100.00
Sewer connections	10.00
Sale of old motor	100.00

Treasurer Towne reported that the expneditures from the general fund for the month amounted to $2222.83, leaving a balance in the fund of $3662.45. During the past three months the expenditures for the support of the public library amounted to $189.45, leaving that fund with a balance of $1204.83 to its credit. There is a balance of $14,066.00 in the city hall fund which can be used for the construction and furnishing of the new build ing.

Poundmaster Cofiori reparted tha he had impounded 12 dogs, 6 horses 4 cows and two goats. All of the stock had been redeemed by the owners, while 9 of the dogs had bee killed, one redeemed and two were still awaiting dispoistion.

The only excitement of the evening was occasioned by the presentation of a rather caustic communication bearing the signatures of 18 owners of property in Dingee Park, in which a demand was made for the return of the unused portion of the money collected for the improvement of the streets in districts 13 and 14. In the communication the petitioners devoted a considerabble space to what appeared to be a criticism of the acts of the council, charging that the original estimate of the cost of the improvements had been excessive and claiming that they had been unjustly deprived of the use of a portion of their money. They also expressed dissatisfaction that the excess had not been returned to them at the time of the letting of the contract. The tone of this communication rather raised the ire of the trustees, who seemed to consider that they were entitled to some better recompense than faultfinding for the time whcih they had devoted to the work of the public and for a time it seemed as though the petitioners were to be denied official notice. Matters were smoothed over by Attorney Kincaid, who informed the board that while he was not the author of the communication and had not been consulted as to its terms, he had been requested by some of the signers to appear in their behalf. He was inclined to consider that such harsh language used in the petition was due to a misunderstanding of the law governing work of this character and to a lack of proper information. Apparently accepting this view, the council instructed Clerk Plump to return the communication to the petitioners with the suggestion that they take pains to inform themselves as to the law governing the improvement of streets and limiting the acts of trustees.

In response to the calls for bids for doing the work of sprinkling the streets of the city for the next year three offers were submitted, each offering to furnish two teams and ddrivers. The bids were as follows: M. Conda, $9 per day; Geo. Alberts, $8.50 per day; J. D. Smith, $8.35 per day, Smith however adder $ per day for sprinkling for the sweeper, which made his bid higher than that of Alberts, who was given the contract.

For the sweeping L. Bisolsi bid $60 per month, George Alberts $70 per month and J. D. Smith $60 per month. The contract was award to Biolsi.

No obejctions were offered to the work of McGarvey, Hess & Kreiss in the sub-grading of James and Elwood streets and the work wa ordered accepted.

Final action on the acceptance of the sidewa'ks and curbs on the east side of Elwood street was again laid over, this time until the 17th of July.

Annual saloon licenses were order ed renewed to the following applicants: Larouy Bros, John Meyer, G. C. Plump, E. F. Schumacher, 240 Main street, W. J. Plump, A. Cook, A. H. Anderson, G. A. Genochio, P. Demartini, E. F. Schumacher, 317 Broadway, Stafford Bros., H. S. Sears, George Botch, W. F. Fick, V. Bernasque, Limbaugh & Flynn, J.C. Barg, Joe Roza, E. Anderson, and J. M. Williamson.

Trustee Hnding called attention to the fact that violations of the ordidnance against the leaving of teams on the streets without hitching were numerous, resulting in danger of accidents from runaways. Marshal Coleman was directed to make a strict enforcement of the law and especially to see that a stop was put to the practice of feeding teams on the public streets and if necessary to make arrests.

City Attorney stated that in accordance with an understanding reached some time ago, a committee of the Board of Trade had prepared revision of the general license ordnance, copies of which he had prepared for the information of the trustees. These were referred to the finance committeewith a suggestion that the ordinance be considered during the week andd prepared for introduction at the adjourned meeting next Monday evening.

At the adjourned meeting Monday evening the spceial business will be the sale of the franchise for a street railway petitioned for by Judge Fitzpatrick.

Assessor's Instructions

To Owners of Real Estate and Personal Property.

The law requires each and every person who owns any class of property to annually, during the months of March, April or May, file a statement with the Assessor or his deputy in the county where his property is located. You should give a statement of all property owned by you on the first Monday in March at 12 o'clock m.

If you hold mortgages against others send in a mortgage statement showing amount due on each mortgage on the first Monday in March at 12 o'clock m.

No change can be made by the Assessor after he turns over his books to the Board of Supervisors on the first Monday in July. The Board then sets as a Board of Equalization during the month of July.

Remember, if you fail to give in your assessment you fail to comply with the law and may cause yourself, the Assessor and Tax Collector much trouble. and very likely cause yourself expense.

It is much more satisfactory to the Assessor as well as to yourself, to have your assessment correct when you go to pay your taxes.

San Mateo to Celebrate.

The committee having in charge the Fourth of July celebration at San Mateo meets regularly every Friday night and is exceedingly busy with final preparations for the big events of July 3 and 4.

At the last meeting of the committee W. J. Eva was selected for grand marshal apd District Attorney Franklin Swart for orator of the day. The Woman'c club had been requested to select the Goddess of Liberty and have chosen Miss Carmen Beck.

All of the fraternal organizations are preparing to enter the parad to be held on the 4th and it is quite likely that the National Guard will be invited to participate.

The dance platform 80x100 feet will be placed under the trees at Seventh avenue and B street.

The Caledonian Club will furnish hornpipe music for the occasion.

The committee has raised about $1500, with more in sight. The complete program will probably be read to announce next week.
